

Spotsylvania Youth Football Association Spotsylvania Cougars

Dear Revered Sponsor:

The Spotsy Cougars Youth Football Association (SYFA) is a non-profit organization dedicated to supporting the growth and development of young athletes through the lessons learned while participating in youth sports. Located in the Spotsylvania, Virginia, our goal is to provide financial support to our Football & Cheer teams through generous donations from donors interested in supporting our youth.

SYFA teams pay for all the equipment and travel used to train their athletes along with all expenses related to the use of practice and game facilities. SYFA is completely operated and run by volunteers who spend countless hours giving their time and energy in support of our organization. We are an official 501(c)(3) and any contributions to our Nonprofit organization go directly to the betterment of our youth. To provide quality programs for our Cougars, we need sponsors like you to support the development of our future leaders.

Funding contributes to:

1. Affordable registration fees, enabling participation to every child looking to grow
2. Offset team uniform expenses that teach unity and pride in the organization
3. Arrange suitable practice and game facilities that focus on community and team play
4. Add equipment necessary to teach fundamentals of the game and keep players safe

SYFA Football & Cheer teams are physically demanding and part of a very competitive program. We require maximum effort, teamwork, and sportsmanship. Our aim is to instill these core values in our athletes so they will forge a strong character, establishing core skills and academics to serve as the foundation for present and future success. With your support in this endeavor, we will develop our players and cheerleaders into productive, contributing citizens that are the future leaders in our community.

Our mission includes:

- Teaching sound football fundamentals for the next level
- Setting the standard locally for Youth Sports
- Offering a 1st class operation with great families of dedicated participants
- Providing a healthy environment for players & families to flourish
- Promoting Team Unity & Instilling the values of Education
- Teaching sportsmanship and discipline

SYFA is looking forward to building a mutually beneficial partnership with you and your company that will enable us to continue providing the most competitive and fulfilling experience for our kids. We would like to extend an invitation to your company to become a sponsor for our youth football program. Our hope is to offer a unique opportunity to spotlight your business while supporting our youth.
